

Amendment (1) to Invitation for Bids No. 1PRC-08-008

The Invitation for Bids (IFB) is amended to modify the historic preservation covenant requirements on page 13. Paragraph 5, section 3, is hereby amended to read as follows: No alterations or physical or structural changes shall be made to the architecturally and/or historically significant features of the Property, including the coloring or surfacing of the Property, without prior consultation with and express written approval signed by a fully authorized representative of the Ohio State Historic Preservation Office (the "SHPO"). Ordinary and necessary repairs and maintenance not materially affecting such features shall not be considered alterations. Approval for interior alterations shall be required only for changes to be made to features that contribute to the significance of the Property. This covenant shall be construed to preserve and protect the qualities which caused the Property to be listed on the National Register of Historic Places.
